

STATEMENT OF PURPOSE

RS19744

The purpose of this proposed legislation is to amend current law stating that receipts for the Sheep, Lamb and Wool Promotion, Research and Education Act shall be deposited and expended for purposes consistent with the act. The proposed legislation would also delete the requirement for two signatures on the checks written by the commission for promotion activities as the checks come from the Idaho State Controllars office as authorized by the Idaho Department of Agriculture and Idaho Sheep Commission. The requirement for audit of the commission by a certified public accountant is also deleted as all funds received by the commission are deposited with the Idaho State Treasurer and handled by the Idaho Department of Agriculture.

FISCAL NOTE

There is no fiscal impact to the general fund.
